

Special Discount for SCMA members!

Getting lost in piles of paperwork?

Tired of managing multiple cases on the go?

Do you want to get more mediation clients?

The Solution:

Mediate to Go® App takes care of business so you don't have to, empowering you to manage your entire practice anywhere in the world from your mobile device! M2G is safe, confidential and SSL secure.

Features:

Acting as your legal resource, marketing team, case manager and accounts payable, M2G will give you the results you need to help you focus on building your practice and resolving cases.

M2G has digitized client contracts, so you won't need to deal with more paperwork. M2G can even help you get more clients with the premium version!

See our features page for more information.

Get the Discount:

As an SCMA member, you will get a free month of service when you subscribe to an M2G professional plan. Just visit mediate2go.com on your web browser and sign up for a free personal account. Once signed in, simply request an upgrade via the "features" page.

Email us about your SCMA membership and we will get you registered right away!
